

Dear Colleagues,

I hope you are all enjoying the summer!
The Illinois Society of Periodontists would like to invite all of you to our upcoming CE meeting on Friday September 7th, which will be presented by Dr. Mark Ludlow. He is an outstanding speaker and will be discussing digital dentistry and incorporating it into your practice.

This program is open for referring dentists who may attend as guest of ISOP members.

Continental breakfast, lunch and break snacks are included in your registration fee
